

## Directions to Orange County Friends Meeting

1. If you're coming from the 405 freeway, exit at **MacArthur Boulevard** and make a left turn onto MacArthur (whether you're coming from the north or from the south, it's a left turn).
2. If you're coming south on MacArthur (either from the above step or because you got on MacArthur from some point north of the 405), make a U turn at **Michelson**.
3. If you're coming north on MacArthur (either from the above step or because you got on MacArthur from some point south of Michelson), make a right turn on to **Business Center Drive**. (You will see an IHOP restaurant just before this turn, on your right).
4. Curve around Business Center Drive to the **last building on the left**. Turn left into the parking lot, then continue around the building until you come to a parking lot. The smiley face in the above map points to the location of our suite in this building.
